Step 1: Log-In to the Club's app.

Step 2: Click Menu on bottom right.

Step 3: Click on Tee Time

Step 4: The app will allow you to book 7 days in advance. Pick your day from the top sliding dates and then select your desired time. If a tee time is book will list the members/guests playing.

Step 5: The system will default to a foursome with yourself and 3 TBD. You can remove any TBD by tapping the box and adding a member or guest. If you want to keep the TBD and secure your spot simply click Book Now. You can always go back and make adjustments. TBD is available up to 48 hours prior to tee time.

Upon adding your guest they will continue to populate as guests in the system for easy use if they play with you again.
